

U-shaped cable holder

Product # 209807390

DESCRIPTION

U-box cable holder for screwing to a work surface. Designed to support wires and a power bar, this u-shaped bracket is simple to install under a desk. The open side allows easy access and identification wires. The closed side hides the cables.

ADVANTAGES AND BENEFITS

This holder lets you have a well organized desktop, frees up space under the desk, and makes it easier to organize cables from the various electronics used in the workplace. One side is solid to conceal the cables, and the other side is open for easy access to the wiring. Used in conjunction with other cable management products, this holder ensures optimal organization of your power supply.
