

## Rectangular Grommet with Dual Brush

**Product #** 2134301100

### DESCRIPTION

Dual cable outlet in aluminum with straight magnet cover and black brush seal on both sides.

Cut out sizes:

- Width: 102 mm
- Length: 312 mm

### ADVANTAGES AND BENEFITS

- Dual opening with brush allows more cable passage from opposite directions.
- Overlapping edge holds grommet in place and covers any rough edges in your desk for a finished look.
- Equipped with a brush panel to keep your cables from dropping all the way through the grommet.
- Available in various finishes to complement your desk décor.

## APPLICATION

These dual brush-lined grommets allow you to have cables running through from both directions on your desk. They provide a safe and convenient transition point through surfaces, and prevent cables from slipping out of reach when disconnected.
