

Lap Topper Series Desktop Sit-Stand Workstation

Product # 500TTLTS2S90

DESCRIPTION

Ultra slim design for easy storage

- The construction of most workstations are designed to be strong. These bulky products hamper the style of modern interior designs.
- The Lap Topper reverses this common feature of current sit-stand workstations.

ADVANTAGES AND BENEFITS

- 12 height settings - Strong steel construction - Includes laminated MDF work surface - Ultra slim design for small footprint and easy storage - 14 1/2 in (368.3 mm) of vertical adjustment - Water and scratch resistant surface - Highlights simplicity while maintaining reliability
