

710 mm (28") - Folding Table Leg

Product # 65671010

Finish Aluminum

DESCRIPTION

30 mm (1-1/8") adjustment

Create a custom folding table or desk with Richelieu's Folding Table Legs, an ideal solution for small rooms or shared spaces.

Made in Italy, these solid metal legs have a refined design so that your space always looks elegant, whether you're pulling out an extra table for dinner guests or setting up a workstation in your living room.

Use the legs to support a foldable dining table, desk, craft table, laundry room table, or workbench—the possibilities are endless.

The folding table legs are available in two finishes, aluminum and matte black, and may be leveled up to 1 3/16" on uneven floors. Screws are included for easy installation.

ADVANTAGES AND BENEFITS

- Load capacity per leg: 100 kg
