

(T5) Fluorescent Replacement Bulb

Product # 76691300

DESCRIPTION

Fluorescent: the modern classic

Fluorescent produce less heat and are chosen due to their energy efficiency. They are engineered to send light in all directions, providing excellent light coverage. T5 compact solutions make the installation of residential or commercial lighting the easiest of all lighting options. Under kitchen cabinets, they act as task lighting for a counter top; in display cabinets, they show off prized possessions. They are used in a workshop or anywhere you need lighting right at hand. Sometimes fluorescents are exactly what you need!

ADVANTAGES AND BENEFITS

- Average life span of 8000 hours
