## DESCRIPTION

### Effortlessly transition from sitting to standing in seconds

- Convert an existing desk or table into a high-quality and affordable sit-to-stand workstation and effortlessly go from sitting to standing in seconds.
- Transform your existing workspace to a healthful environment and immediately benefit from motion and mobility in the workplace.

## ADVANTAGES AND BENEFITS

- 18" (45.7 cm) of vertical height adjustment to accommodate the majority of individuals.
- Small footprint that can slide effortlessly out of the way to free up desk space.
- 27.5" (69.9 cm) keyboard tray allows space for full sized keyboard and mouse.
- Slide in/slide out work surface for additional workspace and storage.
- Convenient rear cable management clips in column and crossbar keep cables organized and out of view.
- Single action quick release adjustment from sitting to standing.
- Locking actuator maintains the unit firmly in position at any height.
- Telescoping upright column promotes a low profile unit in the seated position.
- Durable anodized and powder coated aluminum and steel surfaces (over 95% of components are recyclable).
